

# 2021 Rural and Regional Victorian Game Jam

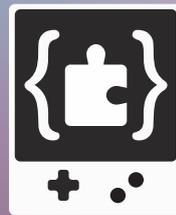

Free on-line program for young people with Autism and Asperger's from Rural and Regional Vic, in Yr 7-10.

Building on the success of our first Regional Game Jam, this is an extension program for return participants and caters for new arrivals. 2 days to design and build your own 8-bit game and handheld console.

**Dates:** 19 January:  
Coding  
*beginner & intermediate*

21 January:  
CAD Design  
*beginner & intermediate*

Each participant will receive a tech pack (value \$130) and custom packaged handheld console loaded with their game made over the two days.

Register at [TheLab.org.au](https://TheLab.org.au) and join the lab **Online-STEM Camp** from the dropdown
