

2km Primary School Challenge

Participation and fun is the key ingredient for the 2023 Wangaratta Chronicle Marathon and Fun Run presented by Garry Nash & Co Real Estate and we especially encourage students to enter the RJ Sanderson & Associates 2km Primary School Challenge and earn points for their school.

Why should kids from your school enter?

The school with the most number of finishers will win a cash prize of \$1,000 from the event partner R J Sanderson as well as a perpetual trophy to display for the next 12 months. Every student finisher is awarded a 'finisher' point as long as they have chosen their school as their team when entering.

Smaller schools will not be disadvantaged as there is a factoring system based on the number of students in total at the school and how many students participate, so any school has the chance to win the major prize.

There will be two groups for the 2km Primary School Challenge – Racers and Chasers.

The Racers will set off at 10am and is for children of all ages who want to race hard and challenge themselves to achieve their best. No parents/carers are allowed to start in this wave.

The Chasers will begin at approximately 10.30am – this race will commence after all Racers have completed their first lap. This is for children of all ages and we encourage parent/carer participation and social completion of the event as a family – walking or running is permitted by all participants.

All children in both waves will receive a medal at the finish and their official time will be published on the website, however there will be no official placings or prizes for the fastest finishers in this event. Times on the website will not be separated by wave, but by age.

There will be no on the day entries, however registrations will be available at the Wangaratta Chronicle office until 5pm Friday March 17 or at the Wangaratta Showgrounds between 2.30pm and 5pm on Saturday March 18.

Event date **Sunday, March 19 2023**, from 10am, Showgrounds Wangaratta.
