

Dear Oatlands Primary School Families,

Please drive safely and carefully to protect all children and pedestrians and keep everyone safe in your school community.

It has been observed children not crossing with the crossing supervisors and crossing at the roundabout during the peak busy times in the morning and afternoons. This is dangerous for both drivers and pedestrians.

School crossings are the safest place to cross the road.

School Crossing Supervisors are trained to control the flow of the traffic and cross pedestrians safely during the peak times.

Always choose the school crossings to cross with the supervisor in the morning and afternoons.

Cross with the supervisors in the morning and afternoon
