

7 July 2023

Dear Parents, Families and Students

RE: End of Semester 1 Student Reports

Student Reports for Semester 1 in 2023 have now been released. The reports are accessible through Schoolbox and will provide a summary of students' academic performance so far this year.

An updated 'Schoolbox Report User Guide' is included with this letter, to assist in you being able to gain access to the system. Should you have difficulties, please email schoolboxhelp@goodnews.vic.edu.au

With the introduction of Schoolbox, the end of Semester reports have been redesigned to provide more information than previous years but with a much simpler format. Each subject has a new page, providing an overview of achievement in summative tasks completed throughout the semester. For both Middle and Senior, a detailed 'Attitude to Learning' rubric for each subject will also provide information about punctuality, organisation, effort, participation and behaviour.

With the new design, subjects are presented in alphabetical order. You will notice that the pastoral care reports, which are usually at the end of the report, can be found between Maths and Physical Education. In the Pastoral Care report, a comment has been written by your child's pastoral care teacher to summarise the way they participate in College life and activities.

Good News Lutheran College uses continuous reporting practices throughout the year. As well as grades, detailed comments and feedback on assessment tasks and coursework are provided on Schoolbox as the semester progresses. These comments are not provided on the end of semester report. If you have not viewed Schoolbox during the semester, please make sure you check this and follow up any questions with the relevant subject teacher.

If you have any questions about these reports, please do not hesitate to contact the College.

Yours sincerely

Tracy Williams
Head of Learning (P-12)
