

# Short Course Holiday Program 2024

**The Work Education Programs is a leader in training people with disabilities / learning needs, specialising in Work Readiness & Life Skills**

The Work Education Programs runs short courses at the Melbourne Polytechnic Preston Campus.

**Benefits and skills gained through participation include:**

- Working as part of a team
- Communication skills
- Building new friendship networks
- “Taster” for students considering studying at Melbourne Polytechnic
- Self-management / Independence
- Increased self-confidence
- Building self-esteem and community participation.

All training notes and materials are included.

These short courses do not provide credits. All participants will be provided with a Certificate of Participation.

Students may have an NDIS support package in place or are in the process of developing their plan. The NDIS support package may pay for enrolment fees for short courses where this is included in students’ goals and plans.

## **Course Details**

In order for a holiday program to run we require a minimum of 10 participants.

The holiday program courses run over 4 consecutive days of term breaks.

Cost: \$495.00

**Please complete the form overleaf and email to the Work Education Programs.**
