

SSATIS Boys Basketball

5th February 2019

Dear parents and carers,

We are excited to offer a variety of opportunities for students to represent Southern Christian College in multiple sports across the school year. In term 1, we are hoping to enter a grade 7/8 and grade 9/10 boys basketball team in the SSATIS (Independent Schools) competition. These matches will be held after school on a Tuesday afternoon (Grade 7/8) or Wednesday afternoon (Grade 9/10), in a home and away roster hosted by Southern SATIS schools commencing on Tuesday 18th and Wednesday 19th February. The roster will run through to early April.

Please complete and return the form below **by 3:30pm on Thursday 6th February (TOMORROW)** to join the College team.

There will be no (or minimal costs) for the students to participate in this roster. Parent assistance will be required to assist the team with scoring, coaching, umpiring or transporting students to and from the matches, especially those held at other venues.

This is a wonderful opportunity for the students to represent the College and we thank you for your support.

Kind regards,

Kristy Nash
SATIS Delegate
Southern Christian College

I give permission for in grade to participate in the SSATIS basketball roster commencing on Tuesday 18th February or Wednesday 19th February.
