

# your BUDGET, YOUR say

We're investing \$221m in everyday services and \$81.6m on exciting new projects for the local community in Kingston's Draft 2019/20 Budget. Let us know if we've got the balance right.

## Our services include:

**Enhancing our foreshore** by rebuilding Edithvale, Aspendale, Mentone and Bonbeach Life Saving clubs.

**Looking after 90,000 trees**, as well as 367 parks, 60 sports grounds and 114 playgrounds.

**Supporting our community** with over 15,000 immunisations and 200,000+ community care hours every year.

The Draft Budget can be viewed at Kingston's libraries, Customer Service Centres, or on our website [yourkingstonyoursay.com.au/2019budget](http://yourkingstonyoursay.com.au/2019budget)
