Book by June 14th

Structured Problem Solving

Foundation Workshop: Students learn to define problems, set goals, uncover root causes, and develop practical solutions using a structured, logical approach.

Follow-On Workshop: Students are guided to further build their thinking and apply these skills to solve meaningful problems they select, both individually and in teams.

Participants Grades 4 - 6
Years 7 - 10

Dates July Holidays:
30/06 - 10/07

Structured Communication

Foundation Workshop: Students learn to articulate key messages, structure their ideas, story-tell, and present in a concise, engaging, logical & compelling way.

Follow-On Workshops: Students can extend these skills in:
• **Conversing & Speaking Up**, and/or
• **Leading & Influencing**

Timing 10am - 3:30pm
(Book 1 or More Days)

Location Templestowe College

Our expert-led workshops, blend explicit teaching with engaging, fun activities - supporting kids & teens to build a strategic **MINDset**, learn practical **FRAMEworks**, and **GROW confidence** and **essential skills** to thrive in school, extracurricular, social and everyday situations

"Amazing to see how much more confident & open my daughter has become"

"He said it was a real eye-opener to start thinking more critically about how to communicate."

"She's not as upset when things are not working out. instead she is ready to try again another way"
