Bikes and pets   

Bicycles, dogs (with the exception of animals identified by an Assistance Animal Pass) and surfboards are not allowed on train replacement buses.

Ticketing

Where possible, you should touch on and off at the beginning and end of your journey. When catching train replacement buses, you can touch on and off at your connecting train station.

Accessibility 

Most train replacement buses will be low-floor models to assist passengers.

If you need help or cannot board a replacement bus, please contact PTV prior to travelling on **1800 800 007** to arrange alternative transport at no cost. Staff will also be on-site during the day at certain locations.

Authorised by the Victorian Government, 1 Treasury Place, Melbourne.

Pedestrian crossings update

Pedestrians are now able to cross the Frankston Line after the new road connections opened at:

- Edithvale Road, Edithvale
- Thames Promenade, Chelsea
- Argyle Avenue, Chelsea
- Bondi Road, Bonbeach

The following level crossings are now permanently closed to traffic and temporarily closed to pedestrians:

- Lochiel Avenue, Edithvale
- Swanpool Avenue, Chelsea

New pedestrian crossings at these locations will open in **late 2021**.

For more information on changes to pedestrian crossings, visit levelcrossings.vic.gov.au

Free community shuttle bus

With pedestrian access now open at the new road connections in Edithvale, Chelsea and Bonbeach, the community shuttle bus will no longer operate.

Buses will continue to replace trains until last service **Sunday 21 November**, stopping at the closed Edithvale, Chelsea and Bonbeach station train replacement bus stops.

Please note the Lochiel Avenue, Berry Avenue, Swanpool Avenue and Golden Avenue stops are closed and will not be serviced by train replacement buses.

Road disruptions and level crossing closures

There will be road and traffic disruptions on Nepean Highway and Station Street in Edithvale, Chelsea and Bonbeach.

Traffic management and signage will be in place to help guide you safely around the area.

For more information, visit levelcrossings.vic.gov.au

Changes to local buses

Changes to local bus services will remain in place until **early 2022**. These include, bus routes 706 and 902 in Edithvale and bus routes 706, 858 and 902 in Chelsea.

See the bus route changes and affected bus stops online at ptv.vic.gov.au/frankston

Buses replace trains between Mordialloc, Frankston and Stony Point until last service **Sunday 21 November**

We're busy removing level crossings

As part of Victoria's Big Build's \$3 billion upgrade of the Frankston Line, we're removing 20 level crossings and building 13 new stations, to improve safety, reduce congestion and allow more trains to run more often.

This year, we're removing five dangerous and congested level crossings from Edithvale to Bonbeach by lowering sections of the Frankston Line into a trench. Three new stations will be built at Edithvale, Chelsea and Bonbeach as part of the project with improved connections between trains and local transport including buses, taxis and bike storage facilities. These changes will make it safer and easier for locals to access public transport, shops and the beach.

For more information, visit levelcrossings.vic.gov.au

Planning your journey

We're here to help you travel during major construction and get you to and from your destination as quickly and easily as possible. We'll continue to keep you updated on works and advise you of the best way to travel.

Plan your journey at ptv.vic.gov.au/frankston or call 1800 800 007.

Find out how these disruptions affect you.

Edithvale, Chelsea and Bonbeach stations opening

Edithvale, Chelsea and Bonbeach stations will open to passengers on Monday 22 November, with Frankston Line trains stopping at the new stations.

On Monday 22 November, all three stations will have ticketing facilities, and lift and stair access from Nepean Highway and Station Street.

Works will continue on the new stations over the coming months, including on the new ramps, bike storage facilities, car parks and landscaping around the station precincts.

For more information on the new stations, visit levelcrossings.vic.gov.au

Health and safety

Keeping our workers and the community safe is our priority as we deliver major infrastructure works across Victoria. Victoria's Big Build has implemented strict health and safety policies, including increased cleaning across the public transport network and replacement buses.

Everyone must wear a face mask, unless an exemption applies and passengers are being asked to practise good hygiene and physical distancing. If you are unwell, stay at home.

QR codes have been rolled out in more than 440 key public transport locations and on trains, trams and buses. Please check in every time you see QR codes at stations and stops and while you travel on the public transport network.
