Lesson Times and Student Responsibilities

Each student receives 16 lessons a semester (approximately eight per term). Lessons are 35 minutes duration and scheduled either at the beginning of or halfway through a regular learning session. For example, in session 1, students will arrive at their lesson at 9am and leave at 9.35am promptly returning to their learning area for the second half of their learning session. Due to the instrumental music lesson *rotating timetable*, students never miss a whole learning session nor miss the same learning session more than two to three times each term. It is the responsibility of the student to communicate with their learning area teachers to find out what learning has been missed and to catch up with any home learning. Lesson times are scheduled online via COMPASS and posted outside the Activity Centre office.

All students are expected to be fully responsible for checking music timetables and attending their music lessons on time as indicated. This means communicating with their instrumental music teacher at least one week ahead of scheduled lessons if required.

Absences

If you are going to be away from school on an excursion, camp, or for another legitimate reason such as illness, we ask that you inform your teacher or ensemble director of your absence before the lesson or rehearsal by contacting Ms Saunders and your teacher via email with at least 24 hours' notice. If 24 hours' notice is not given, students will not be given a make up lesson.

Compass Payment

An event will be set up for parents to consent and pay once applications have been processed for 1 semester. Please make payments promptly as students will not be able to commence lessons until payment has been made.

Ensembles

Participation in our College ensembles is an expectation of all students who undertake instrumental lessons and provides a valuable opportunity to develop performance skills in a fun, social environment. Ensembles and soloists participate in school performances, informal lunchtime concerts, college assemblies, the college musical production, and various community performances. In addition, students will be involved in specialist workshops and music festivals, such as *Stringfest*, *Bandfest* & *Singfest* hosted by the South-Eastern Victorian Region Instrumental Music Coordinators. Participation in these festivals provides students with amazing opportunities to meet other young musicians from neighbouring schools and to work with celebrated facilitators from interstate and overseas.

Facilities

The Activity Centre houses various instrumental teaching spaces which include: two large ensemble rehearsal spaces, a band room, three smaller studios, a keyboard studio and a recording studio.

External Exams

Students are encouraged to sit for external exams such as AMEB as private entrants where appropriate. Fees associated with exams are paid by parents in addition to the instrumental music charges. Exams are held at a private venue. Singers and instrumentalists may need to engage an accompanist for these exams at an extra charge.
