

## Chaplain's Chat

Evangeline Supra – Chaplain at White Gum Valley PS  
Issue 8/ September / Term 3 2022

### ***Greetings White Gum Valley Primary School Community,***

I trust that everyone is keeping well?

We only have two weeks left until the school holidays, so I thought I would share some ideas on things to do during the break. I know that it can sometimes be hard to entertain your young ones during the school break. Also this term, I will be attending the Year Six School Camp down in Dwellingup. I am looking forward to supporting the Year Six students during camp. I will post some stories and photos from the camp, next term!

Here are some events that are happening in the Fremantle area listed below from Kids Around Perth Website that you can do with your children in the spring holidays. Check them out!

I hope you all have a great school holidays.

From your Chappy!

#### **1. WA Maritime Museum School Holiday Activities**

Join in a range of free events and activities this school holidays. Kids enter free. Adult entry fees apply.

Find more information at [www.museum.wa.gov.au](http://www.museum.wa.gov.au)

#### **2. Visit a Café in Fremantle**

Take some time out while you are in Fremantle to grab a coffee and something to eat at a café in freo; like Moore and Moore Cafe. They have a beautiful little nature play area and host story time with Paper Bird Sundays and Mondays at 9.30am.

### 3. Jurassic World by Brickman | Perth Convention and Exhibition Centre

Inside Jurassic World by Brickman you'll encounter over 50 large-scale dinosaurs, props and scenes from the blockbuster Jurassic World franchise, including life-size dinosaurs in our petting zoo, a Brachiosaurus you can walk underneath, minify dioramas, and photo opportunities to recreate some of the most iconic moments from the films — including getting up close and personal with 2 life-size velociraptors! You'll build your own mini Jurassic World and dinosaur footprints, create hybrid dinosaurs, help assemble enormous LEGO® brick mystery mosaics, and even build your own escape vehicles to get away from the 1 tonne T.rex model! [September 24th 2022 - February 5th 2023](#) Get your tickets now at [exhibition.thebrickman.com](http://exhibition.thebrickman.com).

### 4. Fancy a cheap meal, try a local place for dinner.

[The Left Bank Fremantle](#) has a kids eat free, every Thursday, from 5pm with every full priced main meal purchased. Kids can also enjoy a range of activities including face painting, colouring in and games. Look out for special themed nights in the school holidays.
