## We Need your HELP!

The P&C will be selling home baked sweet treats as part of our offerings on the day. We are asking for donations of baked goods for our canteen. If each family donated a dozen biscuits, slices or cupcakes, it would be an easy task.

**Please bring any donations directly to the BBQ on the day.**

If anyone can spare some time to help behind the counter please let a member of the P&C know or leave your details with Anne in the Office.

We thank you for your support.

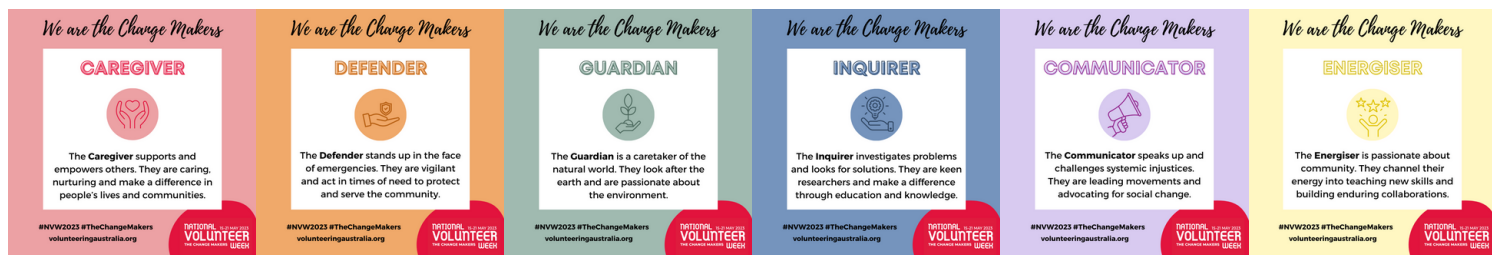

Please remember, all our fundraising efforts directly benefit the students and families of Rocky River School.

## What's in the works...

After our Athletics Carnival Canteen, we will have a chance to catch our breath for a while.

Activities will slow down for a while which will give us the opportunity to give more attention to a few other things we have in the works.

One major item we are working on acquiring for the School is a **DEFIBRILLATOR**. Our School is fairly isolated from help should an emergency situation arise and we feel it would be a great advantage for our School to have access to an automated defibrillator. We are currently investigating our options and hope to have an AED installed at the School very soon.

We are also looking for fundraising ideas for Term 3. We aim to have a fundraising activity each term, so we'll be throwing the football around to find an opportunity for next term.

Our major term 4 is the Thunderbolts Festival stall. The Thunderbolts Festival has been confirmed and will be held on

**Saturday 28th October.**

Please keep this date in the back of your mind, it is a huge day for our P&C.
