

# Volunteers Wanted for 2024 Kitchen Garden Classes

## Stephanie Alexander Kitchen Garden Program at Ballan Primary School

**We are looking to attract volunteers for our garden classes for  
our grades 1 and 2**

The children will learn life skills whilst participating in garden activities and will have a greater appreciation of growing food from seed to harvest

You don't have to be a Green thumb, you just have to love growing food, eating food and being with children. Your participation will be invaluable in assisting us to making this program a success (you will also have lots of fun)

We would like to attract a range of volunteers for our 3 grades:  
1/2H; 1/2M and 1/2G

With spring approaching we are going to need adult helpers for each of these classes to allow us to provide activities for the children.

Classes are held on Tuesday and Wednesday  
Contact: School office to obtain further information

On: 5368 1072

Email: [ballan.ps@education.vic.gov.au](mailto:ballan.ps@education.vic.gov.au)

A **Working With Children (WWC)** clearance is a **prerequisite** to volunteering. Forms and the application process are online through Services Victoria (<https://service.vic.gov.au/services/working-with-children>)

WWC checks are free of charge for Volunteers

\*\*\* the school may be able to assist you with the application process – please call to discuss we also have had assistance from the staff at Ballan Post Office
