

Apprentice Diesel Mechanics

We are looking for individuals who are passionate about agriculture and are keen to gain a mechanical qualification working on heavy diesel machines. This is an exciting long term, professional career opportunity. Positions are available at our Echuca, Mildura, Sea Lake and Shepparton dealerships starting in early 2022. We will also consider 2nd, 3rd and 4th year apprentice applications.

About Us

Haeusler's Group is a family-owned company with six locations from Mildura to Shepparton. We are well-established industry leaders in agricultural products and believe our customers deserve a partnership that helps their business succeed.

What We Offer

- Certificate III Trade Qualification
- Ongoing mentoring and support
- A dedicated Apprentice Co-Ordinator
- Supervised on-the-job training
- Uniform and Personal Protective Equipment
- Allowances (additional to base salary)
- Training with John Deere University
- Learn a trade while being paid
- Multi-site organisation with room to move or transfer
- Friendly welcoming team environment
- Company health and wellbeing program

About You

- Reliable and eager to learn
- Willing to commit to structured ongoing training
- Self-motivated with a can-do attitude
- Mechanically minded
- Well presented
- Good computer and communication skills
- Able to work in a team environment
- Reliable transport and a current valid provisional or full drivers license (if aged 18 years and over)
- Successfully completed minimum Year 11 studies

Duties Include

- Assisting with basic service, repairs and maintenance tasks
- Developing skills in removal, disassembly and reconditioning of components
- Developing knowledge of John Deere and competitive products
- Participate in tailored trade training programs with Registered Training Provider
- Using and maintaining tools and equipment
- Applying policies and procedures to day-to-day duties
- Following safe working practices in the workplace

How to Apply

Your application **must** include the following and be submitted to recruitment@haeusler.com.au by the 15 October 2021.

- **Handwritten cover letter**, including:
 - Branch location you are applying for
 - Highest level of education completed
- **Resume**

Haeusler's Group is an Equal Employment Organisation and we encourage both male and female applicants to apply.

Position Description

Apprentice Diesel Mechanic

Position Specifics

Department: Service
Reports to: Service Manager
