Information, Terms & Conditions, Entry Form

To help guide you in your entry, some information about Transition Tatura and Zero Carbon Tatura:

Transition Tatura is a not-for-profit collective of like-minded people that plans and supports community-guided responses to climate change and shrinking supplies of energy. Through localisation, energy reduction and community strengthening, our goal is for Tatura and the wider Goulburn Valley to transition to resilient communities that can readily respond to the challenges and dangers of climate change and energy deficiencies.

The core foundations of Transition Tatura are: **Community | Energy | Environment**

Launched in the UK in 2006, Transition Initiatives have since grown to include towns and communities across the world. Transition Tatura, founded in 2009, is the 397th official Transition Initiative.

You can find us on Facebook: <https://www.facebook.com/transitiontatura>

Zero Carbon Tatura, established in 2020, is a 10-year plan incorporating residents, businesses and industry which proposes to address Tatura's carbon emissions and footprint. The Project Pillars are:

- Power-Energy (electricity and gas)
- Buildings (including energy efficiency for all residential, rentals and businesses)
- Industry (buildings and processes)
- Transport (passenger and heavy vehicles)
- Land Use (agriculture - irrigated and dryland)
- Waste

The Goal: A Zero Carbon Tatura by 2030
