Cert III in Cabinetmaking
Cert III in Engineering – Mechanical Trade – Fixed & Mobile Plant Mechanic
Cert III in Engineering – Fabrication Trade – Welding
Cert III in Engineering – Fabrication Trade – Surface Finishing
Cert III in Upholstery
Cert III in Furniture Finishing (French Polishing)
Cert III in Electrotechnology

EXCITING NEWS AS OF 2025 RIVIERA WILL NOW BE OFFERING TWO NEW TRAINEESHIPS!! SBA & Full Time

Cert III in Supply Chain Operations
Cert III in Business – Administration (Finance)

Riviera are hiring young people with a great attitude, a hands-on aptitude and those young people who genuinely want to make a strong contribution with a great company. We are not interested in any old general application that starts off with 'I'd like to apply for an apprenticeship' tell us:

- What specific apprenticeship you are applying for
- Why you are applying for that particular trade
- Why you want to work with Riviera

Some of our trades have prerequisites:

- Electrical applicants – **MUST** have a cert II in Electrotechnology completed by Dec 2024
- Engineering – **MUST** have a cert II in mechanical or engineering disciplines
- All other trades – relevant studies and experience such as Cert I in Construction

Please be aware – Electrotechnology and Engineering are our most competitive trades. If you are genuinely pursuing a career as a sparky or a diesel fitter you will need to have a strong application to be able to progress against your field.

Discover the opportunities awaiting you at Riviera. Start your journey towards a fulfilling and prosperous career with hands on experience, career advancement, leadership development and most of all you get paid to learn!

To Apply, submit the following by **COB Friday 23rd of August 2024:**

- Currently enrolled in Year 11 or Year 12
- Cover Letter (this must indicate the trade you are applying for)
- Resume
- Last 2 school reports

Send applications directly to kbadke@riviera.com.au
