

Calling for Care & Share Volunteers For 2016

I am calling for anyone who would like to volunteer for the Care & Share Program for 2016 to please complete the form below. For those of you who don't know what the Care & Share Program requires, I will quickly explain.

The Care & Share Program is designed to help out families within the school community who have been struck down with severe illness or hardship. It requires a list of volunteers that the coordinator can call upon if and when required. When you put your name on the list of volunteers, you are asked to state what you are volunteering for eg. cooking, baking, gardening, child minding, shopping, walking the family dog, mowing the lawn, etc. A roster is then compiled and either emailed to you or a hard copy is given to your eldest child via the classroom. Normally you might be required to volunteer once a term.

Even though you might already have your name down on the 2015 list, you are required to fill out another form for next year, as I need to update your child's grade or you may have changed your mind about volunteering.

If you have any questions about being a volunteer for this fantastic program, please don't hesitate in calling **Amanda Daemen** on **0412 329 605**.

Please tear off below section and hand into the office ASAP.
