

ADVICE FROM MANNINGHAM COUNCIL REGARDING RULES FOR PARKING AROUND TEMPLESTOWE PARK PRIMARY SCHOOL

Church Road: The school side parking bays are a 'No Parking' zone between 8-9am and 3-4pm. This is a kiss and drop area only. Parking in this area prevents traffic movement and will incur a fine from Manningham Council.

Parking is available in indented parking bays across the road from the school, on Church Road, specifically for dropping off and picking up children. Children can cross Church Road safely at the supervised crossing point.

Church Road is the safest place for parents to drop children as the 40 km/h speed limit applies before and after school.

Vacant block on Church Road (cnr of Church Road and Merna Drive): This is a 'No Parking' zone; motorists will receive a parking fine if they park within this area.

Jacobena Place: A "No Stopping, 8.00-9.15am, 3.00-4.15am, School Days" zone is located on the eastern/southern side of Jacobena Place, around the court bowl and between properties numbered 1 to 9. The aim of the "No Stopping" zone is to reduce traffic congestion and to improve the flow of traffic in Jacobena place. Parents are permitted to park on the western/northern side of Jacobena Place whilst dropping off and picking up children. Unrestricted parking is available in the rest of the street.

Mandella Street: A "No Stopping, 8-9am, 3-4pm, School Days" zone is located on the western side of Mandella Street and around the court bowl. The aim of the "No Stopping" zone is to reduce traffic congestion and improve the flow of traffic in the street. Parents can park on the eastern side of Mandella Street whilst dropping off and picking up children. Unrestricted parking is available further down the street.

Niland Rise: Parking restrictions apply in Niland Rise because the road is narrow and has not been designed to cater for high volumes of traffic. The signage states "No Stopping On Nature Strip Area – Park In Bays Only". Parents can use the paved parking bays whilst dropping off and picking up children. Be advised that Council's Local Laws offers patrol the area issuing infringement notices to parents not parking in the bays.

Greek Orthodox Church: The Church have kindly allowed the school to use their carpark at drop off and pick up time. This a short 350m walk from the Church Rd entry to the school. Parents are encouraged to park and walk from here if they would like to meet their children within the school grounds.

General: It is requested that parents consider the residents who live in the streets adjacent to the school whilst dropping off and picking up children. Please also observe the 50 km/h speed limits that apply in residential streets and be conscious of children crossing the road or getting in and out of parked vehicles.

Under the Victorian Road Rules it is an offence to park across any part of a driveway. It is also an offence to double-park alongside a vehicle that is pulled into the kerb. Please be aware that Council's Local Laws officers patrol the residential streets around the school and will issue infringement notices to parents who are double-parking or blocking residents' driveways.

Teacher Yard Duty: Teachers are on yard duty from 8:30-8:50am and 3:30-3:45pm. Parents can arrange to meet their child at a kiss and drop area on Mandella St or Church Rd after the 3:30pm rush so they can simply pick them up and move on.
