Saint Marys Hampton

Weekly Overview

Week 1: welcome back

- The first week of school for 2022, this week our program is structured to help students adapt back to school life after the Christmas break and introduce students to our structures and team members.

Week 2: Birthday week

- A week all about celebrating birthdays. Activities include making birthday candles for our birthday wall. Mini birthday celebrations and games for students to participate in.

Week 3: Ancient worlds

- A week that investigates the lives of ancient children, what games did they play what kind of art did they make. We take a look and try out some of the activity's historians have discovered were created in ancient times.

Week 4: future worlds

Week 5: Sports week

Week 6: world culture week

Week 7: What can we create

Week 8: the sounds of music

Welcome Back!!!!

I hope everyone had a great holiday and is excited to be back to school for term 1.

Theircare ran an amazing holiday program over at brighton beach where some of the Saint Marys students attended over the break. There were lots of fun things to do like an excursion to the movies and a trip to the museum. Some other activities included colouring in fun backpacks and making pom-pom animals. The children that attended had a real blast over with the team from brighton beach and haven't stopped telling us all the fun they had at the holiday program.

We have a great program planned for Term 1 including two activities from the TheirCare toy library cultural awareness and the music kit. The staff are excited to get the toy library in to service this term and see what fun we can get up to.

We have a lot of ambitious projects in the works so keep your eyes and ears out for more information to come

We would also like to welcome all the new Prep students. We have had a couple of you in service already and the staff can not wait to meet the rest of this year's Preps.

We have a lot in store for this year so look out for more news from us in the future
The Theircare Team.

We are updating our quiet area to include a starry night sky. We aim for this area to be as calming and relaxing as possible

Week two was birthday week. We celebrated all the birthdays we wouldn't be able to throughout the year

As part of Christmas cheer week in term 4 students made crystal Christmas trees
