WHAT'S BEEN HAPPENING

Dear families,

Get ready for an action-packed term at Team Kids Before and After School Care! Our termly clubs are back, and this time, we're offering three incredible options: Super Sports Club, Coding Club, and Art Attacks Club. With children's voices leading the way, these clubs promise fun, learning, and plenty of smiles.

Kids Leading the Way

Our children are on a journey of exploration and discovery, and we're thrilled to support them every step of the way. From child-led cooking adventures to creative clay workshops and comic storytelling competitions, our kids are unleashing their talents and passions like never before.

Celebrating Our Teachers and Moms

A big shoutout to our amazing teachers and school staff! We treated them to a well-deserved morning tea as a token of our appreciation for their dedication and hard work.

As Mother's Day approaches, we're gearing up for special activities to honour the incredible moms in our lives. Stay tuned for heart-warming gratitude and handmade surprises!

Upcoming Highlights

Get ready for a term filled with excitement and growth. Our termly clubs are just the beginning of the adventure. Stay tuned for more opportunities for your child to explore their interests and develop their potential with Team Kids! As always, if you have any questions or feedback, please don't hesitate to reach out to our team.

Warm regards,

Eric - Director of Team Kid Before and After School Care
