

**Congratulations on being cast in Elisabeth Murdoch College's 2021 production of
Rock of Ages!**

We're so excited to be working with you to develop what we're sure will be EMC's best show yet!

We have outlined some of the key pieces of important information that you'll need to know below:

1. As a member of the production, you will be required to pay a \$70 show fee. This will assist in the development of costumes, sets, sound and lighting and all the things that will help to make our show magical! This payment is due by the end of Term 1 and can be made via Compass.
2. Cast members **MUST** attend every rehearsal that they are needed for the duration of their call time. Any unavoidable absences must be discussed with a member of the production team well before the date in question. Failure to notify us in a timely manner may result in your removal from scenes/songs.
3. Appropriate attire must be worn during rehearsals. As this is a school activity, students are expected to dress in clothes that align with the College uniform policy. When our souvenir t-shirts arrive, they will become your rehearsal uniform, however, in the meantime, a PAC or PE uniform is a perfect alternative!
4. Failure to meet the expectations of your academic classes will risk your position in the production. This includes attendance and behaviour in all your classes. We will be watching Compass carefully, and will receive a notification should any cast member become slack in their day-to-day classes.
5. Rehearsals (Thursday 3pm-6pm) are strictly closed to anybody not involved in the production. Tickets will be on sale via www.trybooking.com from 9am on Monday 31st May. More ticket information will be provided closer to the release date.
6. Whilst we will endeavour to keep additional costs to an absolute minimum, cast members will be expected to purchase some basic supplies for production week. We will provide a list of necessary products during our school holiday rehearsals (Wed 7th and Thurs 8th July), to prevent you having to rush around last minute!

Should you have any questions or concerns regarding the above information or anything else production related, please don't hesitate to contact any of the production team at the College on (03) 9788 2600 or via email.
