Cancer is unfortunately so common that we all know someone whose life has been affected by one form of cancer or another. Cancer not only affects the people diagnosed with the disease but also everyone around. Therefore, I would like to do my part in hosting "Australia's Biggest Morning Tea" to raise money for cancer on Sunday the 5th of July. I would love for you and your family to come and enjoy a Coffee and Morning Tea on me.
The venue I will be hosting my event at has an enclosed playground for the kids so it will be a fun morning for all!
I am hosting this event from 9.30am to 12.30pm with donations to be made on the day so I would love to see you all there!
Little by little we can all make a difference and I would appreciate your support too for a cause that is close to my heart and many others.
Much Love,
Filitsa x
