

Warrigal Road works update

The Victorian Government is removing 27 dangerous level crossings and building 17 new stations, making the Frankston Line level crossing free by 2029 and improving safety, reducing congestion and allowing more trains to run more often. We're removing the level crossings at Warrigal Road, Mentone and Parkers Road, Parkdale, and building a new Parkdale Station.

What we're doing this month at Warrigal Road

Road impacts

- Warrigal Road closed at the level crossing from 9pm **Wednesday 4** to 11.30pm **Saturday 21 October**

Pedestrian impacts

- Pedestrian crossings closed at Warrigal Road
