

**UPWEY SOUTH**  
Primary School

Wednesday 24<sup>th</sup> June 2020

Dear Parents/ Carers,

We are delighted to inform you that Upwey South Primary School will be participating in the world-renowned ICAS Assessments this year. ICAS is developed by UNSW Global, a wholly owned subsidiary of UNSW Sydney, with over 35 years' experience in educational assessments.

ICAS is designed to target students' higher-order thinking and problem-solving skills in English, Mathematics, Science, Writing\*, Spelling and Digital Technologies.

Each assessment celebrates students' accomplishments by providing opportunities for recognition. Every student will receive a printed certificate and an online result report. Top performers will be eligible for medals and are invited to attend special award ceremonies to have their academic excellence publicly recognised.

We encourage you to consider entering your child into ICAS this year. The assessments are suitable for students wishing to extend themselves academically and take up the personal challenge of competing in an international assessment. Your child will be presented with high-quality, expert-developed questions, allowing them to apply their learning without the need for prior study or revision.

ICAS Assessments are now online, a move that reflects a sector-wide transition to online assessments. This allows greater accessibility for students and faster delivery of results.

If you wish for your child to participate, please read the information over page. Please be aware that from 2020 onwards, parent permission and payment is made directly through ICAS. The school will then be provided with the details of registered students through a new school portal.

Please note, from 2020 onwards there is no online access available to past papers. This is a directive from ICAS. However, the school will be offering students the opportunity to sit sample practice questions in the lead-up to the testing period.
