All students please complete form to verify current address details and return to the school office or mail to the above address. **Once your child is enrolled for lessons, it is assumed they will be continuing each term.** Please advise by e-mail or in writing if you wish to cancel before lessons commence each term.

Lesson Options: All lessons 1/2 hour - 1 lesson per week - Piano / Keyboard

Small Group and paired lessons will not be available due to room availability restrictions

20 minute individual lesson - \$ 24.00

Individual Keyboard ½ hr - \$ 34.00

On-Line lessons are still an option, and will be offered in events of school closure.

Please read the following terms and conditions of enrollment

Lessons are invoiced per term, approx. 10 weeks. Payment is in advance and should be paid within **1 week from start of lessons.** Payment options are shown on the invoice.

School and public holidays are deducted. Any lessons missed by the student must still be paid for. Make up lessons may be provided if able, but due to the structure of classes this is not guaranteed. Lessons missed by the teacher will be credited back the following term, or made up as able. School excursions, curriculum days etc. are worked around as advised by the school. Covid protocol, sanitizing etc. as per DET guidelines will be observed.

Lessons are held during school time, with respect to staff requests re: specialist programs, (art etc.) With this in mind, lessons may go into part of lunch or recess time, or may cross into art, music, P.E. times if necessary to avoid core subjects.

Books are added to invoice as required. Photocopies of complete works are illegal and may not be used in class. Music books and an exercise book should be brought to lessons each week. This book will keep you updated as to your child's progress and give a clear practice requirement. It is expected that your child will practice on a regular basis.

A keyboard / piano is needed to practice on, I can provide advice and discounts on new and 2nd hand, instruments or explain use of keyboards you may have. Beginners may last one term on trial without a keyboard at home, but after that they will fall behind without the practice. Parents are welcome to sit in on lessons if they are able to do so.

Thanks,

David
