Hi my name is Janet!

I am the service coordinator at Launching Place Primary School. I have been working alongside Jess and Kasey for the term and really enjoyed getting to know the children and their families.

At LPPS Extend our team delivers an exciting, hands-on program that encourages children to be outgoing, confident and inclusive. We aim to offer children a wide range of experiences that will build on a range of physical, mental and educational skills that can be applied in later life. LPPS Extend wants all children and families to feel valued and respected as such, communication is always open, acknowledged and acted upon. We value learning through play and the children's right to choose what they are interested in doing each session. As such we aim and are committed to utilising child suggestions in planning and implementing activities within the service.

Come along to Before School Care for a healthy breakfast and a great start to the day. Then join us for After School Care and enjoy a range of different activities and be nourished with yummy, healthy food! Make new friends at Extend! Enrol and book now via [extend.com.au](http://extend.com.au).
