2024 AGM

Term 1, Week 10

8th April 2024, 5.30pm at the School
Followed by the April General Meeting

Past and present P&C committees have worked hard to build a **strong and respected relationship** with the wider community.

You might say 'just another cake stall', or 'just another BBQ', but it's so much more than that.

We know that Schools are not fully funded by the government, our P&C has just signed the P&C Federation petition to say this is not fair or acceptable. So, every time we make a decision to engage with the community (such as the Street Store, the upcoming community cricket match BBQ or Thunderbolt's Festival), **we are demonstrating our commitment to providing the best possible learning opportunities for our students.**

We might be the little School out in the sticks, but we are proudly **fostering a strong and supportive community for our students.** We are being present for our kids, and active in their life.

With all this said, we want to encourage **fresh eyes and new ideas** to help continue this support for our kids. With our AGM coming up, we want to encourage new people to join the P&C committee.

This might seem like a daunting task, but it's far from that. The P&C is a very supportive network with a common goal - **we just want what is best for our kids.**

Yes, our current committee might seem pretty well oiled, but we all had to start from the beginning too. It just takes one small step to put your hand up and say 'YES, I want to learn how this all works, and

YES I want to make a difference for my child'.

Being part of the P&C is great to be able to work together as a team, to build on your own strengths in a positive way to benefit others, and to develop some other strengths you didn't even realise you had!

Yes, it is a volunteer role, but you will be rewarded by the smiles and joy you bring.

The benefits and opportunities far outweigh any apprehension.

Thank you...

...to the Swilks family for their kind donation of 3 Easter Bunny eggs which were drawn as Lucky Door Prizes for the students at the Easter Assembly. Also to Jen for organising the Easter Hunt.

We hope everyone has had a great mini-break, and can remain focused for the last few weeks of Term 1!
