## Around the Grounds

---

### 6A

Despite the soggy conditions and lack of substitutes, the boys put in a gutsy performance to hold a very good St Lawrence's team to a 1-1 draw. Some terrific defending and intelligent counterattacking made the match a successful one.

### 6B

Another tough weekend for the boys with 2 of our boys playing up in the A's and not having a full squad there we went down 3-0 to a very tough St Peter's A team. We had a couple of clear chances, but nothing went our way this week due to not having any subs in the second half, the boys fought to the end and were unlucky again.

### 6C

A very entertaining game for the C's this week versing the Peter's B team the boys fought well and got a good result in the end. We had nearly 30 shots but only 3 going in for Eli who scored a hattrick this weekend therefor being Man of The Match. Overall, a solid performance and a very enjoyable game to watch.

### 6 Gold

### 6 White

The Year 6 soccer team faced a tough match, losing 5-0. Despite their efforts, they struggled defensively, allowing multiple goals. To improve, they need to work on communication and positioning to thwart opponent attacks. Offensively, they could benefit from better ball control and strategic passing to create scoring opportunities. Building teamwork and resilience will be crucial for bouncing back stronger in future games.

## 5A

Flawless performance from the 5As!

During the first half the Lauries goalkeeper made a number of quality saves but was finally beaten just before halftime thanks to a brilliantly worked team goal. During the second half the boys implemented the defensive shape and attitude the team had worked on through the week to shut out the opposition and really control the game. Doing so, giving the attackers the freedom and opportunity to score 3 more. Joshua George's long range effort which went in off the post like a rocket being the highlight on the scoresheet. But with the team keeping their second clean sheet of the season it was the defensive efforts and organisation of Patrick Air which earn't him this week's POTM.

Well done 5As.

## 5B

A fantastic way for the 5Bs to begin their weekend. A dominant start to the game thanks to Tom Cairns and a well worked team goal giving an early 2-0 lead. The boys continued to control the tempo of the game and carried their momentum throughout the first half however SPLC picked up form and held out until half time. With a lead established the boys found a fantastic rhythm and goal scoring form with an additional seven goals throughout the second half. With dominant defending and fantastic build up play from the midfield the boys took a hold of the game and didn't let go. Standout goals from Orlando Kelly and Noah Cairns plus relentless effort and determination from Toby Patricks and Tejas Koirala pushed the team to a comfortable 9-0 finish. With such a dominant goal scoring display and a strong defensive start to his game this weekends MOTM was Noah Cairns. Congratulations 5B's

## 5C

Solid performance from the 5C team, particularly in the first half. Pressure on the opposite field resulted in some quality team goals with Ottis leading the attack. The very few forays into our territory from the SPLC team were blocked by the solid defence led by Alex and Ben. Liam had his best game some far and everyone on the team did their job. In the second half, even though we still dominated, we succumbed to the temptation of "because we are winning by x number of goals I want to score too" instead of focusing on our game and playing as a team. This is a great team with some quality players that are very unlucky to not be in a higher team.

## 5D Black

Once again, the 5D black team showing a brilliant performance this week. The defensive line provided the backbone with proactive movement and strong tackles. The midfield put in hard work to keep possession and provided the attack with multiple scoring opportunities. Man of the match went to Ross for his eagerness to get the ball and play.

## 5D Gold

The boys put the pressure on early with a first half hattrick to Rafael soon to be followed by Viann. However, this was not without defensive efforts of our men at the back, especially Darcy Muir-McCarey who held their line and maintained a clean sheet for the majority of the game only conceding a class bottom corner finish from the Laurie's side.

### 5D White

The boys showed resilience against a stronger 5D side, not giving up until the final whistle. On the back of the defensive efforts, especially that of Patrick Thirgood we managed to keep the pressure up putting numerous shots on goals. However, their keeper proved too good, only conceding 2 late in the second half which was ultimately too late for the boys to catch their lead.

### 5 Green

5 Green continue to form a more cohesive unit, and are working on communicating with each other to help improve their performance. They started their game against Villanova with grit and determination, maintaining a 0-0 score for most of the game until the opponents scored two goals in quick succession. Their second half was against Marist 5 Blue. In both games, they were encouraged to focus on possession of the ball and kicking and passing the ball. An admirable effort all around but a special shout-out to defender Emerson Maxwell and MOTM, midfielder Darcy McGrath.

### 5 Blue

Last Saturday, the Blue 5 football team faced a double-header, first playing against Villanova and then taking on the Marist Green 5 team. In the first half, the boys struggled to find their rhythm, making several critical defensive errors, which led to a 0-2 loss. However, the second half showcased the team's resilience and determination to fight back. Their defence was more focused and strategic, resulting in greater possession and control of the game. This enabled them to defeat their worthy competitors 2-0. Well done to our goal scorers, Wilbur D'Arcy and Alex Warren. Whilst the goal scoring was great to see, it is hard to go past Cooper Brandis as our man of the match for his persistent effort at midfield to fight for possession. Also worthy of mention is Oscar Badke for his positive team attitude and for his commitment to improving each week. Well done Oscar. Your efforts are commendable and not unnoticed.
