### Activity requirements and notes

As you are undertaking practical activities, it is important that appropriate shoes and clothing are worn at all times during the day to ensure Occupational Health and Safety (OH&S) standards are met.

As such **ALL** students will be required to:

- Wear solid, closed-toed shoes. Work boots are preferable. Sneakers are not permitted on work sites
- Clothes that can get dirty
- Long hair securely tied up.

### Program overview

Spend the day visiting domestic and commercial building sites around the Geelong region to learn more about the different jobs available in the building and construction industry.

- Discover the diverse career options available
- Find out how to take the next steps with your career choice
- Meet professionals in the industry and discuss work experience and placements for Structured Workplace Learning (SWL).

The tour will include:

- Presentations from apprentices, tradespeople, site supervisors, construction managers and The Gordon specialist educators
- Hands-on demonstrations
- Giveaways, morning tea and lunch.

### Did you know?

- Victoria is in an infrastructure boom with construction jobs in a projected growth phase
- Apprenticeships provide a solid entry to job and career prosperity
- There are more than 70 different careers available in the construction industry
