UNIVERSITY: FUTHER INFORMATION

Good Universities Survey: Universities Ratings and Rankings 2018/2019

The Good Universities has produced ratings looking at the proportion of students who were satisfied with the overall quality of their educational experience. View the ratings and rankings [here](#).

How to Uni? What are the differences between high school and university?

University is a little bit different to high school. You'll find yourself adjusting to a new way of learning, but don't worry, we have some simple lessons that will help you transition seamlessly into your new tertiary life.

Steps to Uni for International Students

Australia is a popular study destination for students from overseas. Australian tertiary institutions feature highly in international rankings for their teaching, research and international outlook and our lifestyle, culture and climate make Australia one of the most liveable countries in the world. Australian tertiary institutions offer a broad range of study options and areas of specialisation.
