

Calling for Care & Share Volunteers For 2015

I am calling for anyone who wants to put his or her name down on the volunteer list for the Care & Share Program for 2015 to fill out the attached form below. If you have already emailed Amanda during the holidays, please do not complete the form.

For those of you who don't know what the Care & Share Program requires, I will quickly explain.

The Care & Share Program requires a list of volunteers the coordinator can call upon if required. When you put your name on the list of volunteers, you state what you are volunteering for - e.g. cooking, baking, gardening, child minding, shopping, walking the family dog, mowing the lawn, etc. A roster is then compiled and either emailed or a hard copy will be given to your eldest child via the classroom.

Normally you might be required to volunteer once a term.

Even though you might already have your name down on last year's list of volunteers, you will still be required to fill out another form for 2015, as I need to update your child's grade or you may have changed your mind about volunteering.

If you have any questions about being a volunteer for this fantastic program, please don't hesitate in calling Amanda Daemen on 0412 329 605.

Please tear off below section and hand into the office ASAP.
