BILLY
the Blue Tang

LEVEL 2

**BUILDING
CONFIDENCE**

SKILLS ★

- Front glide without aid
- Back float with aid

ABOUT THIS LEVEL

Children begin developing independent floating, body positioning and flutter kick skills while continuing to build water confidence and independence.

CHLOE
the Cuttlefish

LEVEL 3

**DEVELOPING
NEW SKILLS**

SKILLS ★

- Torpedo glide 5 metres
- Kick on back with aid
- 3 metre freestyle with aid

ABOUT THIS LEVEL

Children begin mastering independent kicking and gliding while developing stronger body control and preparing for independent swimming.

DUKE
the Dragonet

LEVEL 4

**CELEBRATING
ACHIEVEMENT**

SKILLS ★

- Introduction to freestyle
- Pulled to safety
- Independent body coordination

ABOUT THIS LEVEL

This level introduces early stroke development and independent swimming skills. Children begin coordinating their arms and legs while learning important water safety skills and building the foundations of freestyle and backstroke.

ABOUT THE ALL SAINTS PRESCHOOL SWIMMING PROGRAM

Our Preschool Swimming Program has been carefully designed for children aged 3–5 years, providing a fun, supportive and confidence-building pathway into swimming.

Beginning with introductory skills such as submersion and floating, swimmers progress through four exciting mascot levels before moving into our Learn to Swim Program, where they continue developing independent freestyle, backstroke and lifelong water safety skills.

Classes are capped at just 4 students per class so we can ensure your swimmer has plenty of individual attention, guidance and support to reach their full potential.
