

VCE Visual Arts Exhibition

The Hamilton and Alexandra College welcomes the school community to our annual Visual Arts Exhibition featuring work by our Unit 3/4 VCE Studio Arts and Visual Communication Design students.

Throughout the year students have explored, developed and refined their skills to produce a body of work that celebrates curiosity and individuality. Please take the time to read their Exploration Proposal or Brief to gain an understanding of their process, concepts and ideas.

Commencing in the Kantor Performing Art Centre at 4:30 pm, enjoy drinks and nibbles as you wander through this year's display.
