@blanesbooks

Dear Parents/Guardians,

For the 2026 school year, we are introducing the school booklists orders online, through the Blanes Newsagency website.

We want to make it as easy as possible for parents/ guardians to complete an order for the school booklists, so we have put together a step-by-step guide on how to order through our website.

For those who are unable to complete a booklist order online, there will still be a hard copy printed and handed to the students for you to fill out and hand back to the school or Blanes Newsagency. The hard copy will also be useful to cross check when ordering online.

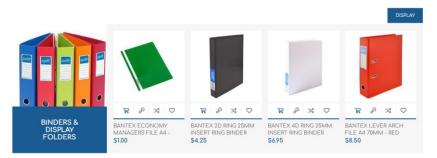

Please visit <u>www.blanes.com.au</u> to submit your order online.

If you have any questions or concerns regarding booklists being online, please feel to contact us anytime.

Thank You,

Blanes Newsagency.

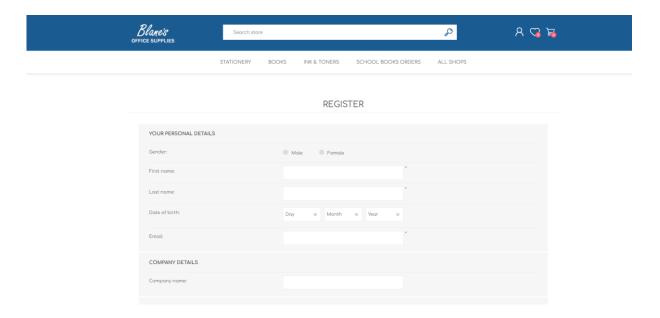

This is the home page of the Blanes website.

Firstly, you will need to create an account if you don't have an account with us already.

To do so, in the top right corner, go to the little person, where it will give you the option to either log in or register.

If you have an account with us already, log in, if not select register.

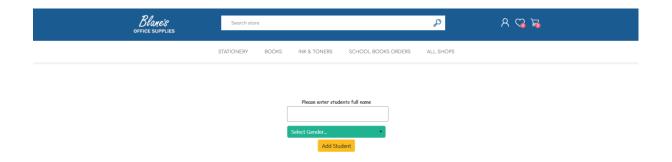

When registering, you will need to fill out the following details on the register page.

Once you have registered, you will be taken back to the home page.

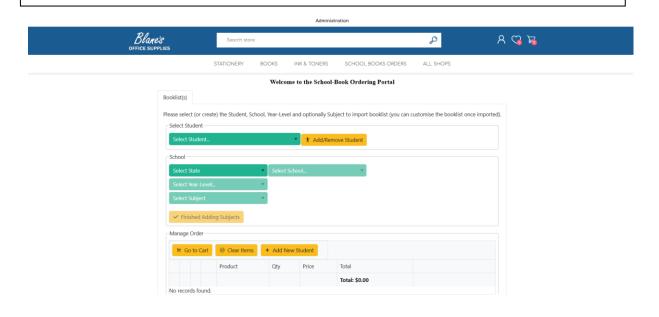

You can now order a booklist for you children through the School Book Orders Tab at the top of the page.

\_\_\_\_\_

Here you enter the name of the child you are wishing to order a booklist for.

(If you have more then one child you are needing to fill out a booklist for, in the next step is where you can add more than one child.)

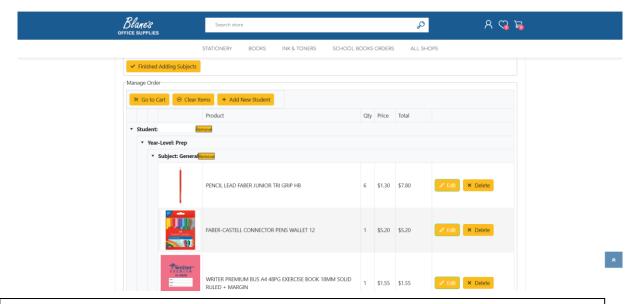

Please select the state, school, year level, and subject for your child.

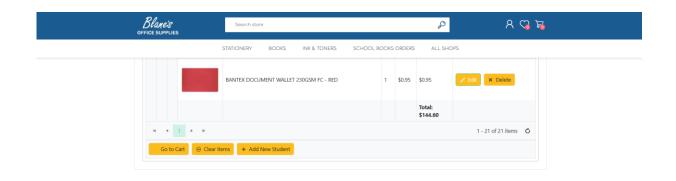

This will generate a booklist for the school and year level that you have selected for your child.

For those families with multiple children, you can create a booklist for them by selecting add/remove student and then follow the same steps by selecting the state, school, year level, and subject. This allows you to switch to each student easily.

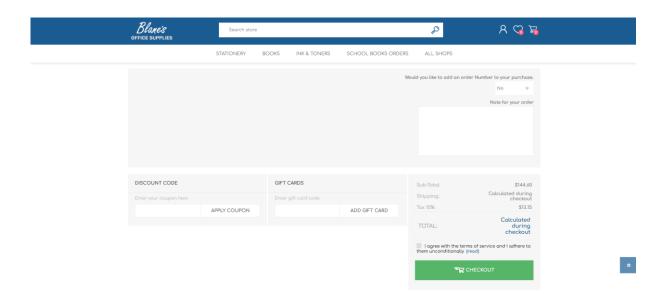

From here you can see all the items on the booklist. If you don't require an item or want to change the quantities, you can do so by editing the product and selecting the right quantity for your needs.

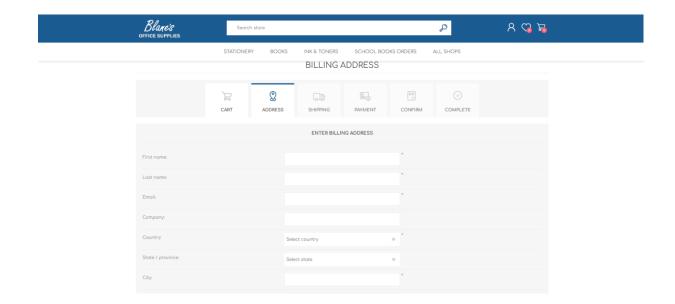

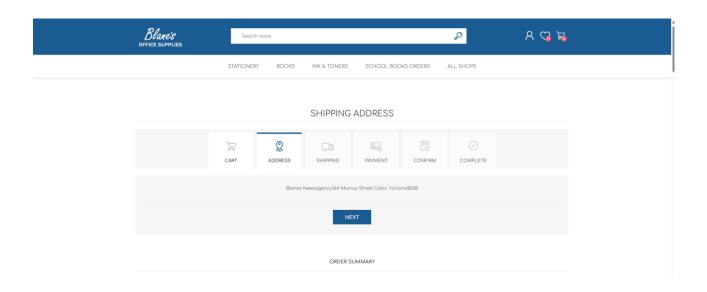

Once you are happy with what you need to order for your child's booklist, you can go to checkout.

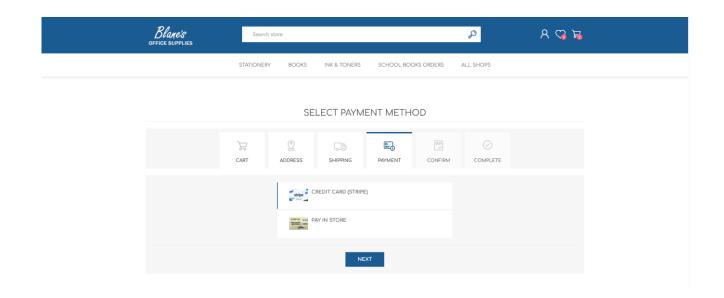

Agree with the terms and conditions and checkout.

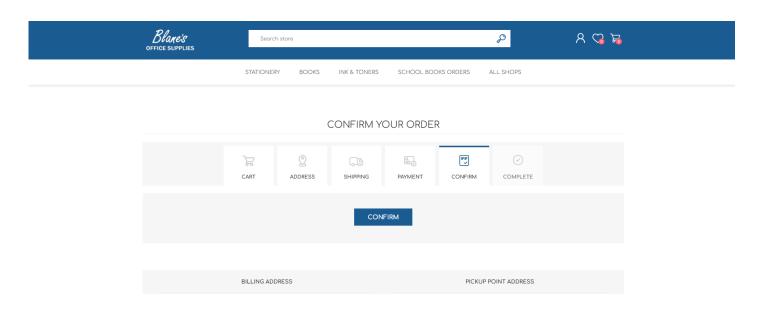

Once you have checked out you will then need to fill out the billing details.

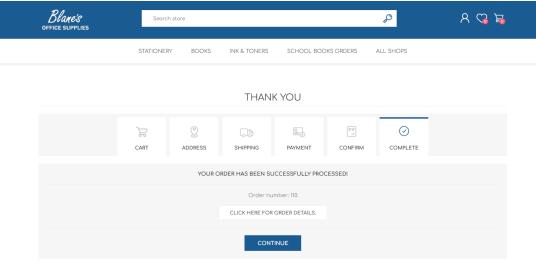

Select next after filling out the required details.

You will then have the option to pay in advance with your card details, or to pay in store on booklist collection day.

Once you have confirmed the payment option, select confirm.

Your Booklist order will then be sent to us.

We will receive your order and then pack your booklist, then you will be able to collect your order on booklist collected day onwards.
