WEEK 1

Parent observations for _____'s learning progress. Room _____

This page provides advice to Para Vista Primary School about how successful the learning program at home is going and how we can respond to adapt programs to ensure their success during the disruption caused by coronavirus (COVID-19). This also provides regular contact with students and families and allows the teachers to make sure there is ongoing assessment of each student's performance. It also allows us to keep attendance records.

We have planned for 3 hours work a day. How long has the work taken ? Is there too much work or too little? Which tasks are taking longer than others ? Were the expectations of the work too high for my child? Any IT issues ?...

Please fill this form on Friday each week. Photograph the page and upload it to Edmodo. Thankyou.
