HAMILTON: Thursdays 4:30-6:00pm @ H.I.R.L Art Room
333 North Boundary Road Hamilton

WHY?

Research tells us that the benefits of art making experiences for children are ENORMOUS! Art is great for resilience, problem solving, as a way of understanding our world and exploring individual expression. It allows fabulous feelings of success because there are no right or wrong answers. Most importantly, it's FUN! No pressure to pass this level or that test or tick another box. Sometimes we just need time to have fun and express ourselves.
