

# PHOTOGRAPHY SCHOLARSHIP PROGRAM 2026

*Made possible by the Coxall Family  
Scholarship Fund*

## ABOUT THIS SCHOLARSHIP PROGRAM

Students selected for this scholarship program will participate in a dedicated 60 minute weekly session as part of a group of 8-10 students from years 4-6. Sessions will run after lunch at the Buninyong Campus. Transportation for Scotsburn students will be provided as required. We expect this scholarship group will at times go off site to experience photography in a variety of settings.

This program will be led by Paul Shire, a retired professional photographer. This scholarship Program will help students build their capacity to take quality photos and to use technology to edit photos.

For this scholarship program, we're looking for students with a passion for photography. Participation will require a commitment to practising learnt skills out of school.

## SELECTION CRITERIA

- Demonstrated commitment to the school's values (Respectful, Responsible and Kind)
- A demonstrated passion for photography.
- Demonstrated ability to collaborate with others.

## APPLICATION PROCESS

Students currently in grades 3, 4 and 5 are now invited to apply for a spot in the 2026 Photography Scholarship Program. Students from both campuses are invited to apply, including those that have been part of the program in 2025. The closing date for applications is Friday November 28.

To apply, students need to write a letter explaining why they would like to be participate and why they should be selected. Students are also invited to include extra documents that demonstrate their interest and capabilities related to photography.

Whilst students can apply for 2 or more scholarship programs, they can only be selected for 1.

Please submit applications to the office staff. We do expect each of the scholarship programs will be over-subscribed, so making the effort to submit a quality application will be important.
