University

## CONNECT WITH MONASH

**Online program for VCE students to learn more about and interact with Monash.**

Connect with Monash is an online program that enables VCE students to interact with Monash staff and students, and learn more about Monash study.

### HOW IT WORKS

Based on profile, students will receive personalised information for their course interests and aspirations, as well as connect with a Monash student who has similar interests and life experiences.

Students can join Circles in the program, which are groups for specific topics. They can also participate in a range of online events, activities, and webinars.

### BENEFITS FOR STUDENTS

- Build networks and community with like-minded peers and current Monash students
- Participate in online activities for VCE students
- Receive academic support, career and life guidance to increase educational outcomes
- Engage with Monash to receive personalised support and information to make decisions about the future
- Ease the transition into higher education
