

NAPLAN Online

Information for students in Years 7 and 9

How can I get ready for NAPLAN Online?

Use the demonstration tests to practise the types of questions and tools available in the NAPLAN Online tests.

Access the demonstration tests here:

www.nap.edu.au/online-assessment/public-demonstration-site

Can I use my own calculator for the numeracy test?

No. The online numeracy test will have an on screen calculator. Try out the NAPLAN Online calculator in the numeracy demonstration tests on the public demonstration site.

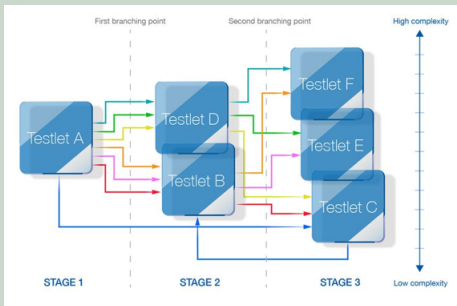

Do I need to touch type?

No. You do not need to be able to touch type to complete the tests.

What is tailored testing?

The test changes depending on your performance in the test. Questions will adapt to get easier (or harder) based on the answers you provide.

Changes for 2021

Conventions of language test - a message will appear on your device to let you know you have finished the grammar and punctuation section.

Check your answers before selecting **Next**.

When you select **Next** the spelling section will start and you will not be able to go back to the grammar and punctuation section of the test.

You have finished this section of the test.

After you click **Next**, you will **NOT** be able to view or change your answers.

To check your answers now, click **Back**.

To start the next section, click **Next**.
