

### *Preschool Home Learning Feedback Form*

This page provides advice to Para Vista Preschool about how successful the learning program at home is going and how we can respond to adapt programs to ensure their success during the disruption caused by COVID-19. This also provides regular contact with families and allows the teachers to make sure there is ongoing feedback of each child's progress. It also allows us to keep attendance records.

**Child's Name:** \_\_\_\_\_

#### **Literacy Based Activities**

Feedback on literacy based tasks your child engaged in this week:

#### **Numeracy Based Activities**

Feedback on numeracy tasks your child engaged in this week:

#### **Other**

Feedback on any other preschool home learning activities your child engaged in this week:

Which days did your child engage in recommended preschool home learning activities?:

Monday ☐

Tuesday ☐

Wednesday ☐

Thursday ☐

Friday ☐

If there were days your child did not engage in preschool activities what was the reason:

Not usually a preschool day ☐

Illness ☐

Family Reason ☐

Other ☐

Please note that we have planned for approx. 1-2 hours of preschool activities per day that your child would usually attend (or 3-6 hours per week). Are you finding there are too many activities/ suggestions or too little? Any IT issues?

Please comment on what your child is currently showing an interest in (to assist with future planning) and anything else you would like to say about their home learning:
