

BLESSING OF CECILIA ROOM AND COOLOCK LIBRARY RESOURCE CENTRE

Continued...

Fr Michael asked for God's blessing on the Cecilia Room and Coolock Library Resource Centre facilities, that the rooms be a home for seeking, learning and teaching what is true. He prayed that all students and staff who use these spaces may together grow in wisdom, hospitality and understanding. Asking that those entrusted with educating our young people will guide students in their spiritual journeys to follow the Gospel values and assist others.

Fr Michael was assisted by Fr James Kerr and altar server Kevin Simmons during the blessing liturgy, who we would like to offer our thanks to for celebrating such a wonderful occasion for the College. We would like to thank our special guests Sr Rosemary Graham, Sr Helen Nolen and Mr Andrew Watson for their involvement in the blessing liturgy. Invited guests, staff and students present at the liturgy felt God's presence with the beautiful voices and musical talents of our College students and staff. Following the blessing ceremony, invited guests had light refreshment in the Mercy Theatre Foyer. A special thanks to Mrs Sandra Tiver and her ladies in making the lovely meal.
