

BOND UNIVERSITY

If you have any questions about our upcoming experiences or would like to discuss them further, please reach out via the details below.

Best wishes,

Office of Future Students

Bond University

learnforcredit@bond.edu.au

1800 074 074

Students have the chance to experience university life before they finish highschool with Bond's upcoming Learn for Credit courses. Designed for high school students, they can get a feel for what uni life is really like and get a headstart on their studies.

Bond's unique experiences are designed to extend on select high school subjects, complementing learning, challenging students and building their skills. Students can also earn credit towards university studies, receive an early offer or scholarship whilst getting a glimpse into university life.

Creative writing

Harness your creative flair and passion for writing. Develop your writing skills by exploring a range of approaches, styles and genres to help you find and tell compelling stories.

Climate Change and Law

Climate change is expected to impact almost all aspects of human life. To address and ultimately reverse the wide-reaching effects of climate change, we need a new generation of energised, empowered, and legally educated advocates.
