

Opal Australian Paper Apprenticeship Program 2023 Electrical and Fitting & Machining

Location: Maryvale Mill

Successful Applicants:

We are seeking individuals who are reliable; enjoy working in a team environment, display motivation and initiative. Who have participated in a Vocational Education and Training in Schools (VET) program in a relevant field are encouraged to apply.

Benefits:

- We offer a range of career paths within a technically advanced, innovative and employee focused environment.
- An induction and mentor program is provided for each new Apprentice.
- Ongoing training ensures participation in professional development during the course of the Apprenticeship.

About the Program

Australian Paper is offering excellent career opportunities to highly motivated applicants seeking an Apprenticeship in one of the following trades:

- **Electrical** (4 years) with an option of an additional 1 year to complete Instrumentation and Control upon a successful completion of Electrical Trade School.
- **Fitting & Machining** – (4 years)

The successful applicants **will commence in mid - late January 2023**

To be eligible applicants must:

- Have or anticipate having at the end of 2022 as a minimum, a satisfactory result in Year 11 with a proven ability in Mathematics, Science and English.
- Demonstrate a genuine interest in and knowledge of the trade area for which you are applying as illustrated by previous work experience, participation in home or recreational maintenance activities, and/or your performance in related school subjects.
- If applying for the Electrical Apprenticeship must have or anticipate having a Certificate II in Electro technology at the end of 2022.
- Be physically fit.

How to Apply:

To apply for the 2023 Apprenticeship Program your application is required to include:

- A covering letter indicating which Apprenticeship you are applying for, as well as a brief explanation as to why you would like to work as an Apprentice at Opal - Australian Paper.
- Resume or Work experience/employment details/Copies of two most recent school reports.
- Reference from employers or a responsible school officer if still at school.
- Note: Applicants will be required to undertake abilities testing and an interview.

Applications are to be submitted via www.seek.com.au. Search 'Opal Packaging' in the search box to view all currently advertised positions at Opal.
