I have a question or
want to share
information about my
child's experience in
class.

Hi there!

We can help you with that. As your child's classroom teachers, we are the best people to speak with if you want to talk about your child's learning or anything that's happening in the classroom or the playground. You can contact us through Sentral or email.

I have a question
about what's
happening in the
Senior Team.

My need is quite
complex so I think I
need to talk to a

I think my child
might need some
extra support at
school...
