

18 October 2024

Dear Parents and Families of Southern Christian College,

We are reaching out to invite expressions of interest from our College community for individuals who would like to contribute their time and skills to the Board of Southern Christian College Ltd.

For nearly 40 years, Southern Christian College has provided a Christ-centred and supportive learning environment for students and families. We are now looking to appoint several additional Board Members to help guide the College into the future, providing Governance and Spiritual leadership. We are seeking individuals with relevant experience in areas such as finance, policy development, human resources, legal matters, community engagement, or education. As a member of the Board, you would work closely with the Principal, ensuring the College maintains a safe and God-honouring culture while continuing to serve our students and families.

Please note that under our Constitution, SCC staff and family members of direct reports to the Principal are not eligible to apply.

Responsibilities of Board Members include:

- Participating in monthly Board meetings and other occasional meetings.
- Preparing for meetings by reviewing financial reports, policies, and proposals.
- Engaging in discussions outside of meetings as needed.
- Attending Governance training and staying informed about educational Governance matters.
- Praying for and supporting the College and its community.

If you feel called to serve the College in this capacity or would like to find out more, we encourage you to complete an initial questionnaire via the link provided below. For those who qualify, further discussions will take place with the SCC Board Chairman, and a copy of our Board Charter will be provided for review.

[Click here for the online Expression of Interest Form](#)

Thank you for your prayerful consideration to serve our College community in this way.

Yours in Christ,

Adrian McKenna
SCC Board Chairman
