

## More than a licence

### Everything a Supervising Driver needs to know

---

**Join us for a free presentation for anyone supervising a Learner Driver.**

Delivered online, this one hour session covers a range of topics, with practical information and helpful tips on:

- how the Graduating Licencing System (GLS) works
- taking a staged approach to learning
- choosing a safe vehicle
- reducing your Learner's risk of crashing on their Ps
- helping you and your Learner stay calm and driving safely.

Learners are encouraged to attend with their Supervising Driver, helping them develop a good foundation for a lifetime of safe driving.
