

Disney FROZEN JR.

Frozen Jr Performance

On tuesday the 14th and 15th Of October Sacred heart was at genazzano Performing Frozen Jr.

All the people in sacred heart had been practising for months to put on the show for all the parents.

All the year 4 boys were oaks so they were called the hygge boys. We were nervous on the first night but my friends new the dance so I could trust them.

All the parents laughed and cwatched and clapped and it felt amazing. Rehearsals took a long time but it was all worth it. My family came to watch on wednsday and I saw them in the crowds. We had packets of chips and biscuits during the intermission.

It was the best school performance ever. We all worked together and learned the dance and then performed. We were all smiling and dancing.

After the performance i saw my auntie because she was actually watching the whole time. When I got home I had a big sushi dinner then went to bed.
