

What's been happening...

Welcome back!

Hello to our families and children!

The focus this fortnight has been to add activities that children really enjoy as well as introduce new resources. These were previous suggestions and items from our wish list.

We have started introducing indoor and outdoor play now that the weather is getting better. We stay on the school grounds after pick up and play our Sport of the Week. Last week we played Jack which is a Footy variation and this week we are playing Around the world at the basketball courts.

We continue to explore healthy eating options and are putting together a cookbook with healthy snacks and recipes. Please if you have any suggestions, we would love to hear them. The focus for this, is guilt free treats and meals. We promoted physical activity by restarting our Moovosity games and set up challenges, we select a Sport of the week as well as many group games like Fruit Salad and Octopus.

With the Spring Holiday Program fast approaching, we have attached the brochure with the activities we have planned. Please make your bookings as quick as possible so you don't miss out on all the fun!

See you all soon, have a great day :)

Special Announcements

OLA OSHClub - Holiday Program

We are super proud to announce that our OSH is officially part of the Holiday Program planning team. We select and create the school holiday program activities for the state of Victoria!

FOMO Clubs

Project FOMO

Project FOMO Is back! After voting the children have selected to participate in a Taste of Europe and Dynamic Dinosaurs.

SCHEDULE:

Taste of Europe - Every Friday

Dynamic Dinosaurs - Every Monday

We can't wait to show you our Club creations on our Class Dojo app and a show at the end of this Term.

Come and join in all the fun.

EXCLUSIVE TO OSHCLUB!
