## Working out what is important takes time. Knowing what helps is where we come in.

## Youth Outreach Recovery Support (YORS)

YORS is a welcoming and inclusive new service for people between 16-25 years of age living in Victoria who have been experiencing mental health issues for six months or more.

Talking together in a safe place is how we start.

Taking some time to know your story and what works for you.

Through talking, we get to know your needs and wants.

Knowing where you are at, we can support you to build the skills and make the changes to get to where you want to be.
