

## St Leonard's School Concert

**Wednesday 27 August**

Dear families,

Preparation for our school concert is going well. All students will participate in this concert with an individual speaking part and class dances. The school choir will also perform.

Costumes have been hired to you from K&C Performing Arts and will be sent home after the dress rehearsal in Term 3. See photos attached of students in their costumes or visit the Performing Arts space.

This year the concert is based on “Wonka” and “Willy Wonka and the Chocolate factory”. The show has been written for the school. It will be performed at Crossway Church on Wednesday 27 August.

Tickets for the concert will be on sale this term via trybooking.

### How does it work?

The students will have some whole school rehearsals at school, including one dress rehearsal where they will wear their costumes.

Costumes will be sent home to be kept in a safe space (no playing or eating in costumes).

On Wednesday 27 August, all the students will visit Crossway, travelling via bus. They will rehearse on the stage (no costumes). Students will have an early finish.

At home, students will get hair and stage make-up done, and get into their costumes. I will provide more information RE hair and make-up in Term 3. (and YES, all performers wear stage make-up)

Families bring their children to the venue. Students will sit with their teachers in the audience when they are not performing.

Each class will perform their part of “Wonka”, finishing with the school choir. It will be a long concert as it is important to allow all our students to “SHINE!”

The concert will be filmed by “Video Essentials” and all families will receive the link to watch this at home and share with family and friends. The cost of this link will be included in the ticket price.

Costumes do not include footwear. If students have dance shoes (ballet or jazz) – these would be perfect. Otherwise any flat shoe that is suitable for dancing will be fine.

(You can buy cheap ballet and jazz shoes or contact me for second hand shoes to buy)

Scripts, songs, dance videos, photos and all things concert related can be found on the Performing Arts google classroom

Contact Cathy Ellis if you cannot access this. You need to use your child’s school email address.

## Wonka: Summary of the Concert

### Story Outline

Our story begins as the young Willy Wonka travels to London to become a famous chocolatier. He is faced with unexpected challenges and finds himself a prisoner at “Scrubbits”. There he meets new friends and uses his creativity to begin making his chocolate dream a reality. Unfortunately, the city is ruled by the “Chocolate Cartel” who will do anything to stop him from succeeding. Eventually, with some faith and imagination, he finally builds his amazing chocolate factory.

After many years, Willy Wonka hides 5 golden tickets in his Wonka bars, hoping to find an heir to take over the chocolate factory. The whole world goes into a frenzy trying to find these precious golden tickets.

Eventually the tickets are found by five lucky children. The children and their families set off for an adventure. One by one, the children, through their greed and selfishness reveal themselves as “spoilt brats”, with surprising and unpleasant consequences. Finally, one child remains – the one child with kindness and gratitude in his heart. It is of course, Charlie Bucket.

This story is based off the novel by Roald Dahl and the 3 movies. It is written by Cathy Ellis to suit a school concert.
